

## CURIOUS ABOUT WHERE WE GET OUR FOOD?

### ENVIRONMENTALLY POSITIVE FARMING

*Sourcing from farmers that are committed to high environmental stewardship*

### ETHICAL MEAT & DAIRY

*Purchasing high welfare meat & dairy to help combat animal cruelty & protect the environment*

### SUSTAINABLE FISH

*Sourcing sustainable seafood to help conserve fish stocks, protect the marine environment & offering better seafood choices*

### LOCAL & SEASONAL

*Buying locally & seasonally supporting British producers - reducing negative environmental impacts associated to airfreighting*

### FAIR TRADE

*Sourcing fair trade produce ensuring producers in the developing world have access to trade systems based on justice & fairness*
